DATED 8.9.52

Sir,

Sub:-Housing - Rural Housing - Ujre rural housing society - Kasaragod Circle - South Kanara district - employment of a Senior Inspector to work as Secretary - Sanction requested

---

Under the scheme sanctioned in G.O. Ms.1494 Development dated 10.4.50, a rural housing society was organised at Ujre in the Kasaragod Circle of the South Kanara district. It was started on its work on 21.12.51. There were 19 members on the rolls of the society with a paid up Share Capital of Rs.190/- on 30.6.52. Three of them own sites and they have applied for loans for construction of houses. Their loan applications are pending scrutiny by the Deputy Registrar, Kasaragod. The society applied for assignment of a Government waste land measuring 19.99 acres and the Collector of South Kanara recently assigned the site in its favour. The layout plan, plans and estimates of the houses to be constructed by the members are under preparation; when they are ready, the members will apply for loans.

2. Under bylaw 20(A) of its bylaws, the society has to appoint a Secretary, who will have to be either an officer of the Cooperative department or a nominee of the Registrar of Cooperative Societies. The society is willing to take the services of a Senior Inspector but in its present financial condition, it will not be able to meet his cost. It has not yet commenced issuing loans to its members and at present it has no income other than the entrance fees collected from the members. It has therefore requested that the services of a Senior Inspector may be given to it to work as its Secretary for a period of one year at Government cost.

3. The appointment of a departmental Inspector as its Secretary will enable the society to push through the scheme successfully. The Office bearers of the society will not be able to attend to the affairs of the society, promptly. The Deputy Registrar, Kasaragod has recommended that services of a Senior Inspector may be sanctioned to the society for a period of one year at Government cost. I agree with him and request that Government may be pleased to sanction the employment of a Senior Inspector at Government cost for a period of one year from the date of employment, to work as the Secretary of the Ujre rural housing society in the Kasaragod Circle. As the society has not yet commenced business, a Balance Sheet as on date is not furnished.

Government observed in their memorandum No.132073 BII-50-3 dated 14-3-1951 that the services of Cooperative Inspectors could be given at Government cost only to the housing societies in economically backward areas such as Rayalaseema. Subsequently Government ordered that each proposal for the sanction of a Senior Inspector to rural housing societies at Government cost, would be considered on merits with particular reference to the conditions of the society and non-availability of Honorary personnel-vide G.O.Ms.No.6049 Development dated 7-12-1951. It was on the basis of this G.O. that I submitted proposals for the sanction of a Senior Inspector to the Ujre rural housing society, at Government cost. The Honorary Office-bearers of the society are not able to devote that amount of close and continuous attention to the affairs of the society which is required to implement the scheme successfully. A sum of Rs.40,000/- has been provided for the society for grant of loans to its members. Without the services of a departmental Inspector, it will not be possible for the society to make any progress and to utilise the amount before the end of the financial year. I request that Government may be pleased to sanction the employment of a Senior Inspector at Government cost for a period of ~~one year from the date of~~ one year from the date of employment.
